Mr. Dowell Williams

Mrs. Dorothy Nunn

The 1981-82 El Conquistador is proud to dedicate this year's edition of the yearbook to Principal Dowell Williams and Mrs. Dorothy Nunn.

We have chosen Mr. Williams and Mrs. Nunn because of their love and concern for the students at Canutillo High School. Narrowing the choice down to two individuals was a hard decision, for we sincerely felt this honor could have been bestowed on a number of other deserving faculty members.

Mrs. Nunn has been involved in education for some 42 years, having received her bachelor's degree from San Diego State University and her master's degree in psychology from UTEP. Of those 42 years, Mrs. Nunn has been here at Canutillo for the last 16 years.

When asked what major changes she had witnessed here in Canutillo, Mrs. Nunn replied that it has to be the size CHS has grown to. Mrs. Nunn feels that working with all of the students, teachers and administrators is the most rewarding part about her job. She has worked under eleven different administrations during her 16 years at CHS. As for the most frustrating part about her job, Mrs. Nunn replied she tried not to allow anything to frustrate her, as her philosophy is to take each day as it comes.

Mr. Dowell Williams who has served as our principal for one-and-a-half years, finds that his contact with the students is the most rewarding part of his job.

Mr. Williams has been involved in education for 25 years, four of which he served as a math and science teacher at Presidio High School, Irvin High School, and Canutillo Jr. High School.

As for the most frustrating part of his job, Mr. Williams cites changes that come too slowly and the paper work (accountability) which he points out is overwhelming. Concerning CHS' future, Principal Williams foresees an increase in student activities and an expanded curriculum, as well as an increase in physical growth with the additions of new buildings.

Educationally, Mr. Williams received his BBA from UT Austin and his master's degree as an education specialist from NMSU. In addition, Mr. Williams lacks only his dissertation to receive his doctorate's degree in education administration.

After a hectic and busy day at school, Mr. Williams unwinds with sports and other outdoor activities.

## Smaller

While the trend throughout most of the country saw schools continue to grow into seas of faceless students, here at Canutillo High School, the trend was in the opposite direction.

With the completion of the new junior high school, the school board decided that the Freshman Class would be relocated to the junior high. As a result, CHS's student body was reduced from 580 to 430.

This of course did not mean that we didn't have our share of problems — every family does. But, fortunately, the problems were surpassed by beneficial and positive results. Overall, everyone seemed to enjoy more physical freedom of movement, more breathing space. Everybody seemed to bump into each other less in the halls as well as in the classrooms. In many of the classes, teachers found they could afford

## But BETTER

their students more individual attention because of smaller classloads

In the cafeteria, students had to wait less time to be served and fewer students in the cafeteria also meant less blaring radios and thus less din during din-din

Discipline problems seemed to decrease because of the smaller number of students and because of the fact that upperclassmen, as a whole, were more mature than freshmen

So overall, the 1981-82 school year has to be looked at fondly and favorably, proving once again that good things often come in smaller packages

*Eagle's  
Call  
Staff*

Some time around the middle of October, the school newspaper, Eagle's Call, started under-going some changes.

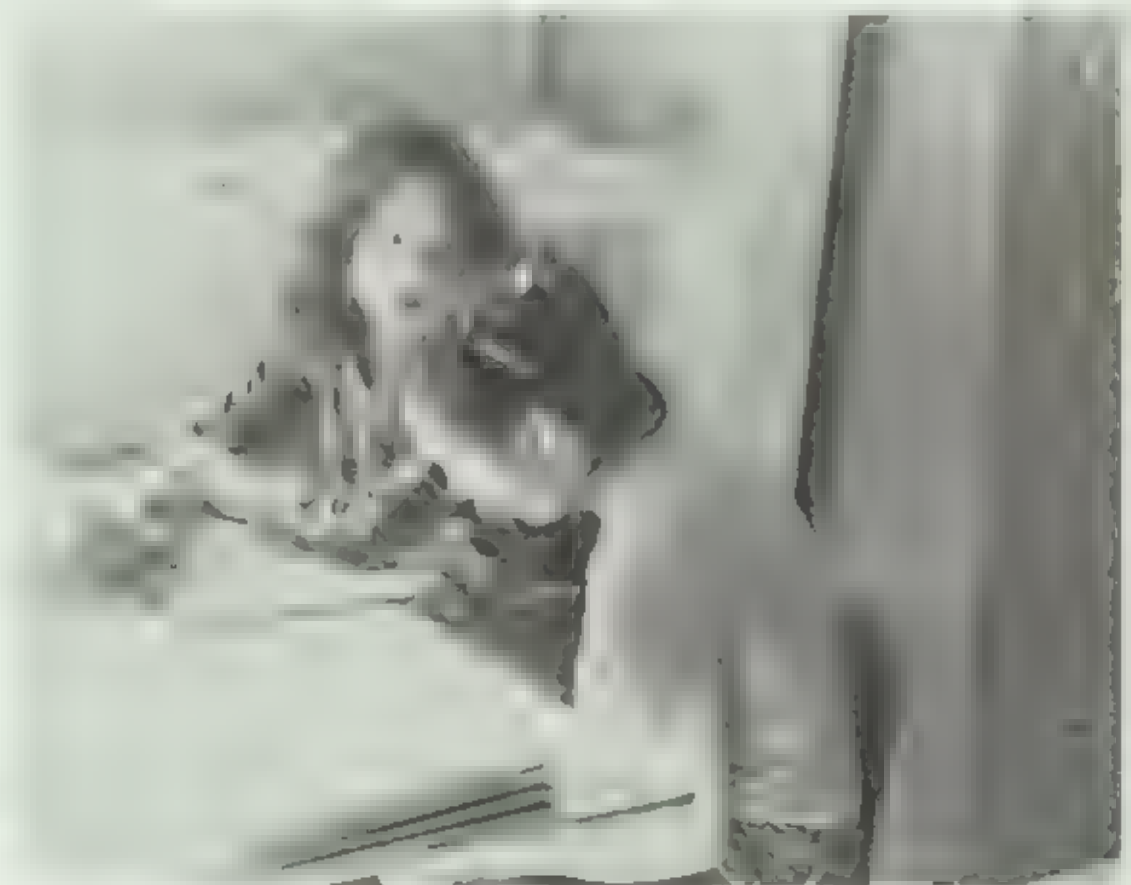

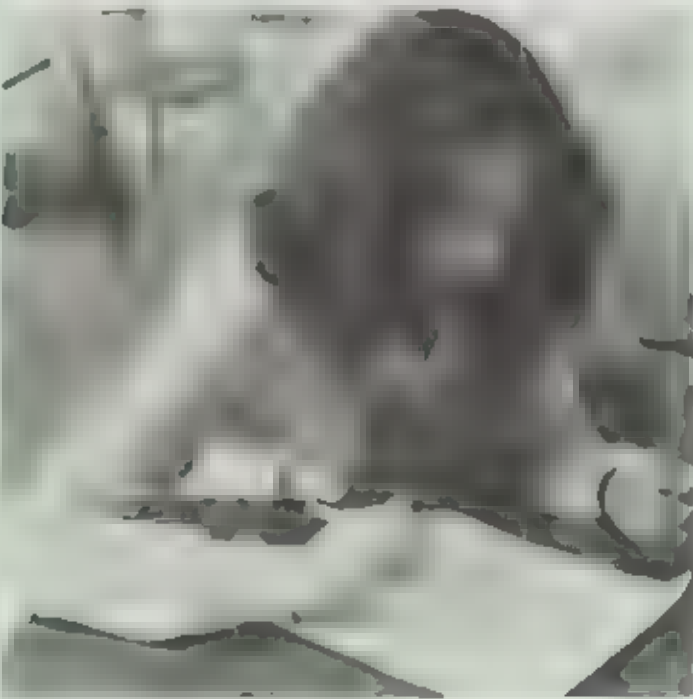

To begin with, Mr. Hector Castelo replaced Mr. Bert Salazar as the journalism teacher. Mr. Salazar resigned his position to finish working on his master's degree.

A second major change was the size and format of the newspaper itself. A new size was initiated, increasing the size of the 8-page paper to a tabloid size. A concentrated effort was made by both the staff and the sponsor to produce error-free and well-written material. From the beginning, the goal of the staff was to improve with every issue.

This year's staff was led by co-editors Pat Stewart and Aurora Castareda. After the first semester, the responsibility fell on Aurora's shoulders as Pat discontinued coming to school once she completed the necessary hours she needed to graduate.

The rest of the staff was comprised of Rosa Acosta (assistant editor), Martha Gomez, Elizabeth Cano, Joe Medina, Lorena Zambrano, and Banti Gil.

(1) Elizabeth Cano sets up a negative to make a picture for the newspaper. (2) Bobbie Ornelas proof-reads some copy. (3) Martha Gomez checks over her Senior profile layout. (4) Bobbie Ornelas and La Tonya Martinez worked together for a number of their stories.

# Doing It All for You!

YEARBOOK STAFF — Standing (l to r) Ron Morris, Alejandra Reyes, Robert Johnson, Jose Paredes, (sitting) Mr. Hector Castelo, Letty Porras, Silvia Pavia, Laura Trujillo, Elizabeth Damian, Marie Duby, Michele Jordan, Junko Yanagi.

Adjusting to a new advisor two months into the school year was only one of the changes experienced by the yearbook staff.

Along with advisor Hector Castelo, came new guidelines, a new layout format and other innovative ideas.

As always, deadlines posed what at times appeared to be insurmountable obstacles. From the beginning, lack of photographic equipment made our task all that much more challenging but in spite of this and the problems such as ruined rolls of film, lost negatives, and a lackadaisical attitude by some staffers, we finally produced our yearbook.

With a year of experience under our belts and with the

expected acquisition of sorely needed photographic equipment, next year's task should prove to be easier and an even bigger and better yearbook is already being planned.

This yearbook was spearheaded by editor Alejandra Reyes who spent countless numbers of hours after school and during holidays to make this book a reality. Another staffer who also gave unselfishly of his time was Ron Morris.

Other staff members included Elizabeth Damian, Marie Duby, Richard Headley, Peter Helfen, Sonya Holland, Robert Johnson, Lupe Mata, Jose Medina, Jose Paredes, Sylvia Pavia, Leticia Porras, Sidney Roberts, Laura Trujillo, and Junko Yanagi.

(1) No, no, no. Do it this way! Elizabeth Damian, Letty Porras, Lupe Mata, and Sylvia Pavia prove once again that four heads are not necessarily better than one. The ROTC Dept. consisted of 114 cadets, 56 of whom were ninth graders from the junior high

In January, the drill team competed in a city-wide meet at the El Paso Coliseum. Later in the year, another meet was held at Riverside, followed by another meet in Las Cruces

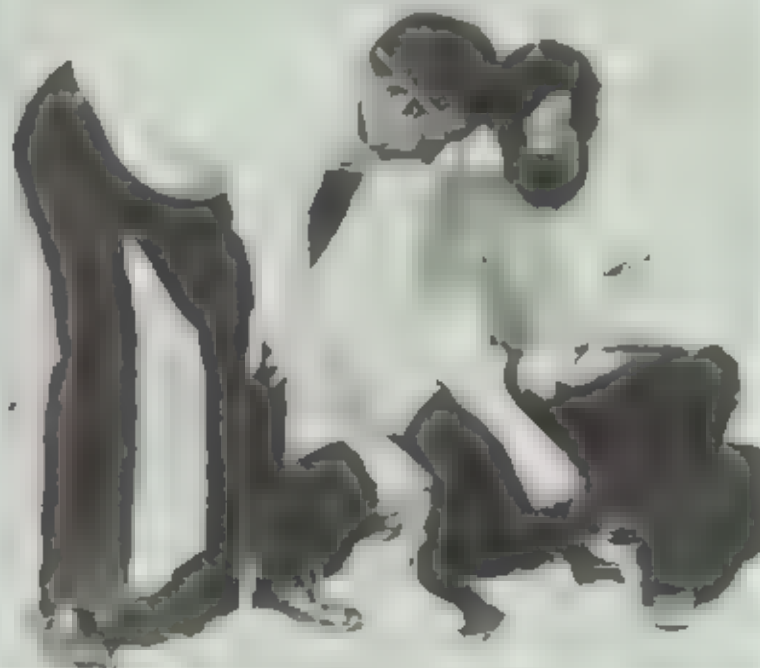

On Nov. 11, the ninth grade cadets marched in the El Paso Veteran's Day Parade and the CHS boys' drill team participated in the Las Cruces Parade

In March, an inspection was conducted by the Area Manager, headquartered in New Orleans. Overall, the troopers fared well and Naval Science Instructor Capt. Charles Young and his assistant Chief Robert Taylor were well pleased with the results

One month later, 38 cadets journeyed to San Diego, California to participate in boot camp and Fleet Training. There, the cadets got a chance to live and work like actual Navy enlistees

The cadets raised funds during the year by washing cars for Region XIX's Drivers' Ed. Dept., selling candles and calendars, Christmas candy canes, and by sponsoring a dance in November

The cadets were headed by Company Commander Martin Soltero, XO Jacob Fraire, Lt.'s Elizabeth Damian, Gloria Hernandez, Veronica Gomez, Patsy Dominguez, Juan Cazares, Richie Cazares, Alfredo Martinez, and Eloy Orozco

# Student Council: Making Things Happen

SC MEMBERS — (Standing) Jose Najar, Humberto Enriquez, Juan Martinez, Jesus Gonzalez, Michele Jordan, Jose Medina, Donna Gunter, Ricardo Milian, Josue Monrrea, Eddie Muniz, Mr. Nick Kourabos (sitting) Martin Soltero, Yorianda Retana, Kim Olmstead, Isela Romero, Mike Yeater, Jacob Fraire, Monica Gomez, Aurora Castareda, (1st row) Stevie Saavedra, Martha Gomez, Didney Roberts, Dennis Pussman

Under the guidance of sponsor Mr. Nick Kourabos and the executive board, Student Council strove to achieve its two purposes of (1) planning student activities throughout the year and (2) implementing and coordinating Homecoming and Spring Fiesta activities.

The executive board is comprised of eight students chosen by the student body the previous year. This year's XO's were Martin Soltero, president; Kim Olmstead, vice-president; Isela Romero, treasurer; Monica Gomez, secretary; Jacob Fraire, parliamentarian; Donna Gunter, historian; Martha Gomez, reporter; and Mike Yeater, activities director.

In addition to the board, SC was also made up of two senators and two representatives from each class, as well as of 15 members at large.

Besides coordinating Homecoming and Spring Fiesta activities, SC members also were in charge of the pep rallies and the annual Parade and Homecoming bonfire. Mr. Kourabos added that the organization strove to be sensitive to the needs of the student body and of the faculty in an effort to make school as vital and interesting as possible.

For those students who wished to express themselves in a creatively manual way, Building Trades and auto mechanics offered a unique opportunity

Under the expert guidance of Mr. John Boylan, students were given the opportunity to use their manual talents to build and repair items such as: weight room benches, VOCCT easels, science room faucets, office cabinets, a book drop for the library, a concession stand, and a magazine rack for the ROTC Dept.

In April, Chris Medrano and Gerardo Rivas traveled to Houston, Texas after qualifying locally with their bench project. The boys built the bench out of a dead cotton-wood tree they stumbled across one day

Mr. Boylan said he was very pleased with the boys' performance, adding that if all the classrooms were filled with students like the ones in his classes, then he'd feel very confident about our future.

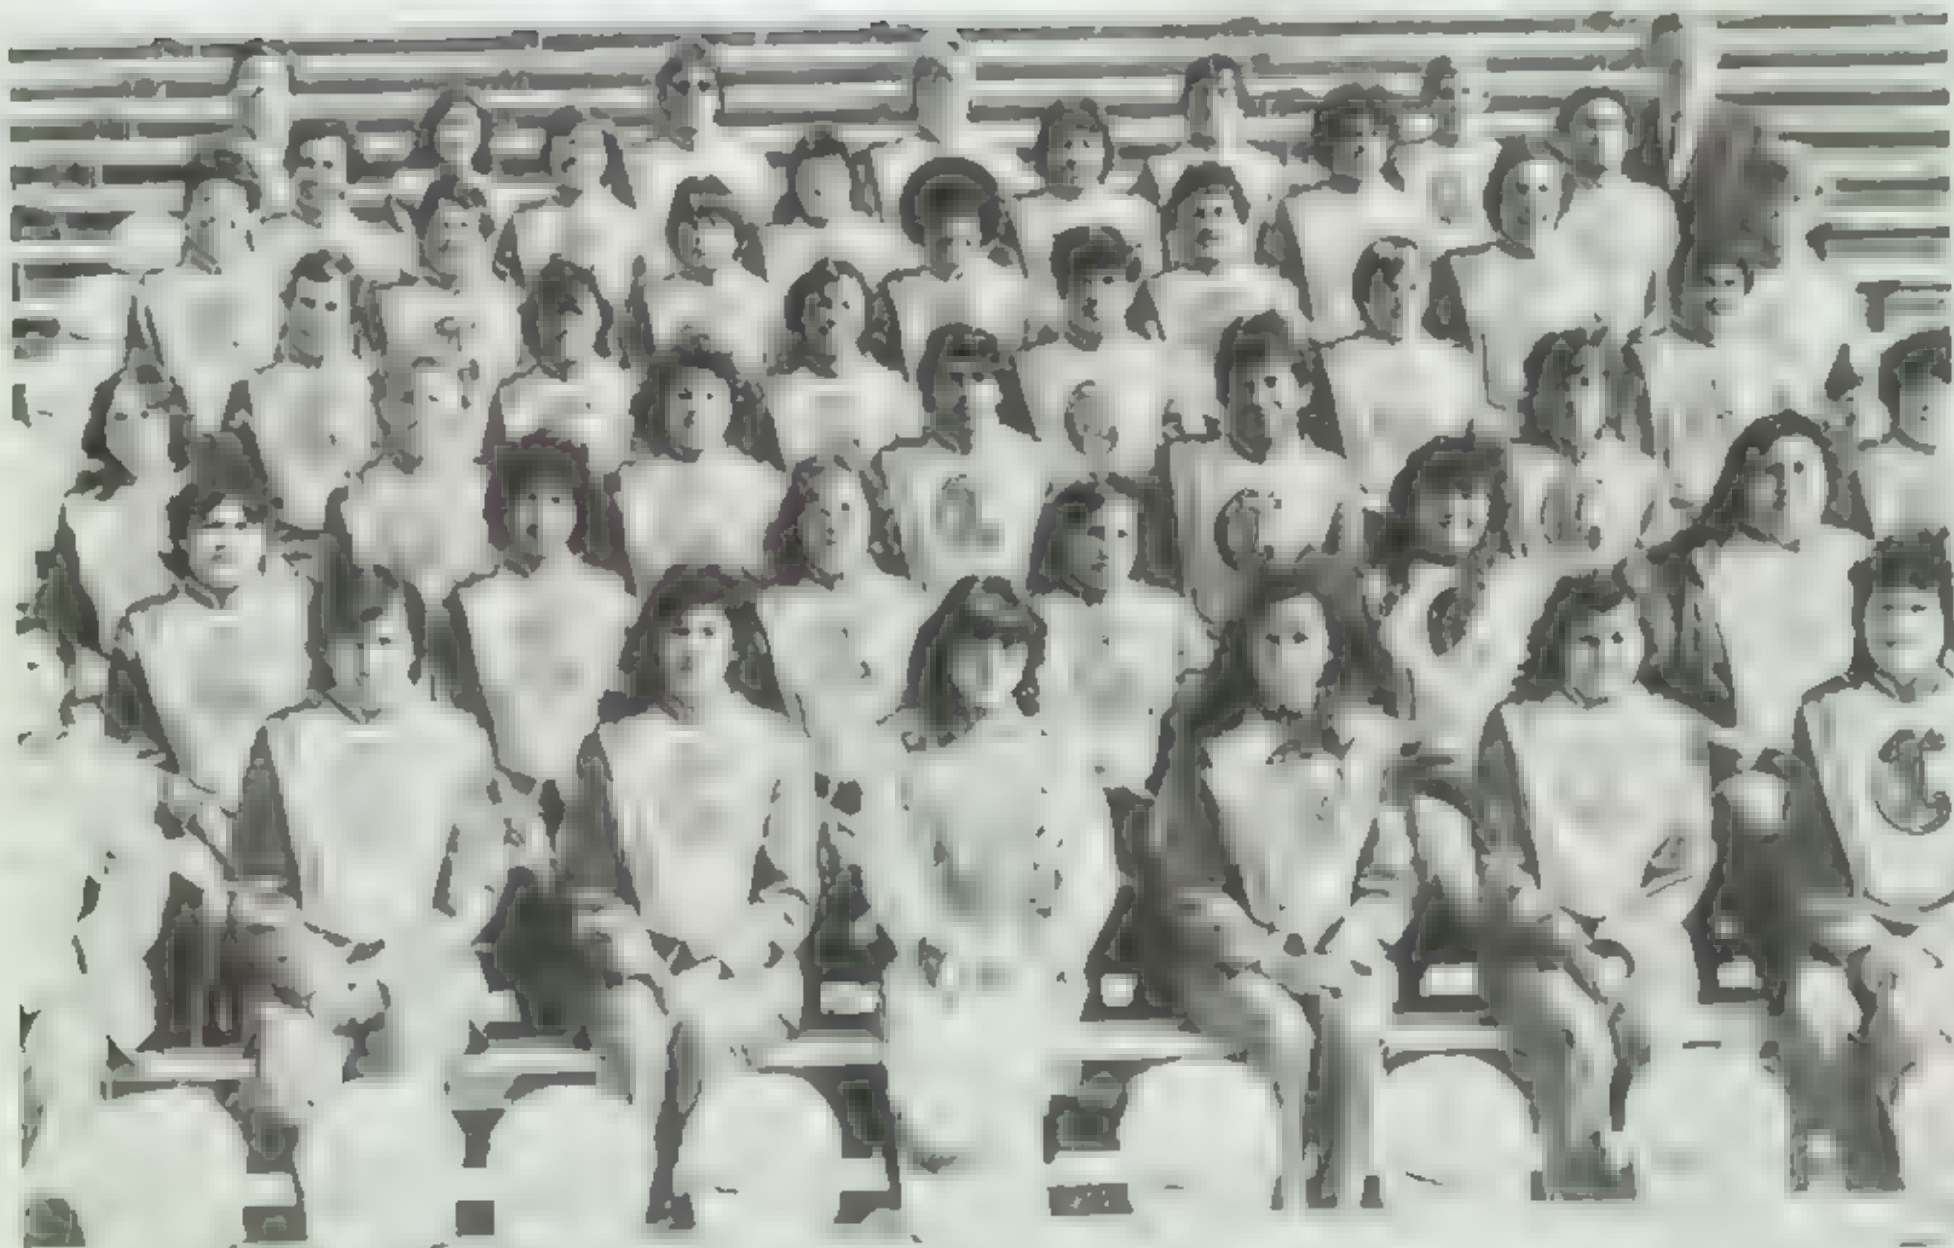

Mr. Boylan's comments were also echoed by Mr. Arthur Stancliff, auto mechanics teacher. Mr. Stancliff's department was also represented in state competition by Art Lucero, who rebuilt an automobile transmission and by Jesus Gonzalez and Albert Morales who overhauled two automobile engines. In addition to their tasks, the boys also had to write a step-by-step procedure write-up.

Mr. Stancliff added that the boys completed their tasks with very little if any, teacher supervision.

The CHS Marching Band consisted of 46 students, five of whom were seniors.

During the year, the merry music makers received an 'Excellent' rating for their performance in the El Paso Marching Band Contest. On Feb. 20, the band went to Andrew, Texas to take part in UIL competition. Nine of the students received first-place awards in different areas of competition. The recipients were Hevila Ramos (marimba solo); Rosa Munoz (flute solo); Sandra Mejia, Shirley Sapien, Rosa Munoz (flute trio), Jorge Arroyo, Beto Enriquez, Cynthia Spence, Jose Vasquez (sax quartet).

According to director Robert Hernandez, he was very satisfied with the band this year and he feels it is improving more each year.

Asked if next year's band would be bigger, Mr. Hernandez replied, "I'm looking for quality, not quantity. That's what we strive for all the time."

VOCCT (Vocational Office Careers Clubs of Texas) is the state organization of, by, and for students enrolled in office training, blending intensive office skills and academic training in a simulated business atmosphere with emphasis on reprographic processes in office machinery. The main purpose of the club is to provide opportunities for students to develop their leadership abilities and citizenship. Programs were developed to give its members a chance to take part in educational, community, school, social, recreational, and vocational activities.

VOCCT began early in the year to train and plan for their State Leadership Conference Competitions in Dallas, Texas on March 10, 11. With their own printing press, they designed, printed and sold a CHS Eagles Activities Calendar. A caricature of an eagle was depicted throughout, highlighting many of the school's departments. Other worthy fund raising activities involved selling candies, snazzy pads, Val-O-Grams, and sponsoring a faculty/student softball game. They didn't get rich, but they made enough to take several members to competition, spent time in Six Flags, several skating outings, a catered swim party, a trip to the health spa, and several field trips to local business establishments.

Mrs. Gwen Keefer was the club sponsor.

CLUB OFFICERS — Sitting (l to r) Maria Maldonado, Sponsor Mrs. Roberta Henderson, Susana Moreno, Lilia Ramos, Rosa Acosta, (Standing) Sylvia Martinez, Enrique Morales, Dale Deckard, and Patsy Chavira

The Vocational Office Education class, sometimes referred to as the Trailer People, is an active group of students joined by their common goal to prepare themselves for a better place in the job market. It has a club called The Office Education Association, which is considered a part of the curriculum.

The program is designed to simulate an office setting with students going about their various jobs. People can come into the trailer at anytime and find some students working with calculators, others taking dictation, some typing or using the transcription machines, others working on record-keeping or filing packets. The students set their own goals and it is up to them to fulfill them.

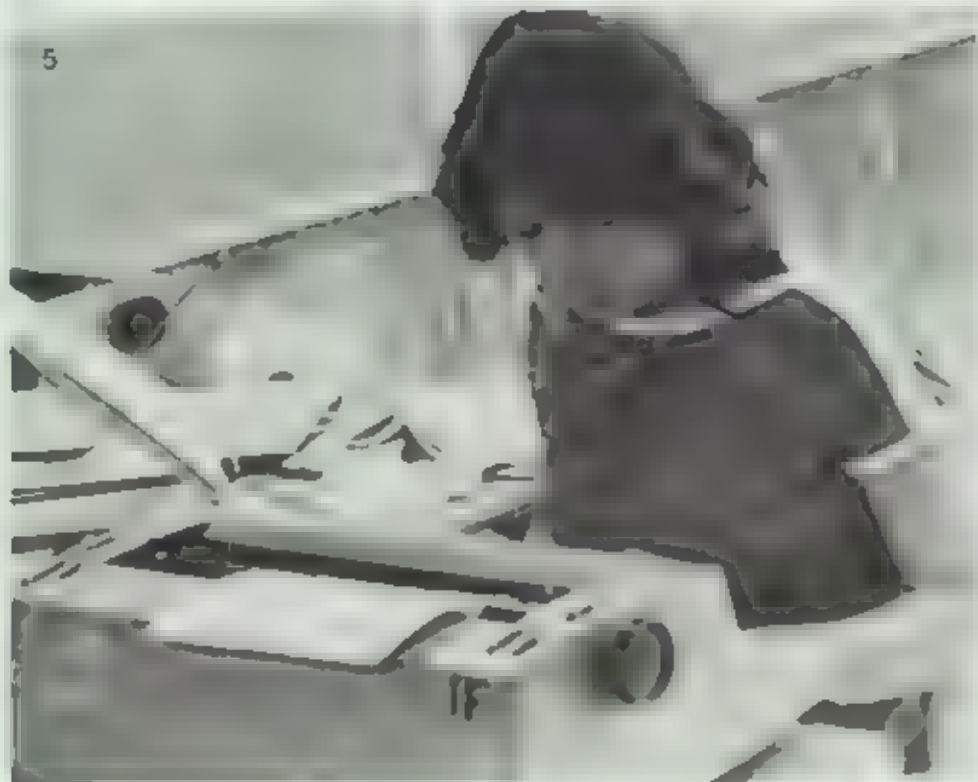

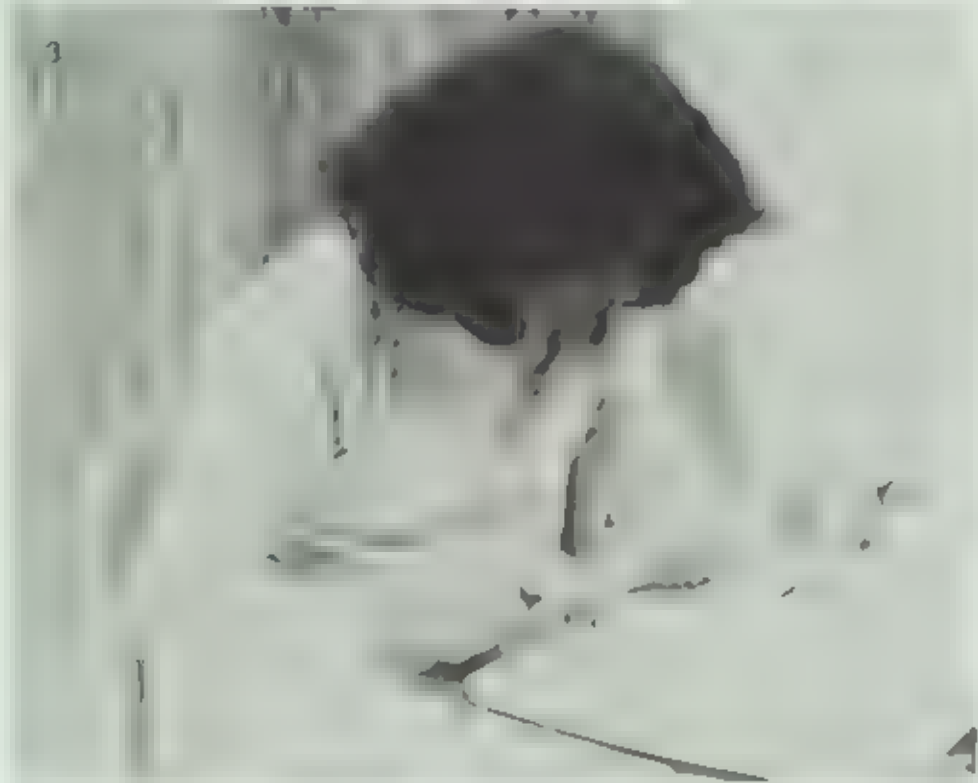

The program naturally has to make money to support their many activities. This year's activities included a carwash, the fashion show, and candy sales. Last year, the club sold name necklaces,

conducted bake sales, and did the Popular Department Store inventory. More ideas are planned for next year.

This year's class decided to have uniforms for the club. The girls were asked to come on stage at the area competitions because they looked so nice. The area competitions resulted in four winners. Area winners went to state to compete again and those winners competed nationally. Unfortunately, CHS members have not gone to national competition yet, but that is their goal for next year.

VOE also had many interesting field trips, which included El Paso Natural Gas Co., Trans-Mountain Campus of El Paso Community College, Wang Word Processing Center, and the Computer Center at UTEP.

Club members wound up the year with their annual Pool Party. It was a nice way to end the year and say good-bye to its graduating seniors.

Future Homemakers of America is a youth leadership organization open to any student interested in improving and preparing for all the various aspects of home life.

The club, whose motto is 'Toward New Horizons', was led by President David Johnson. David was assisted by Donna Gunter, first vice-president, Judy Frietz, third vice-president, Sandra Rosenbaum, photographer; Albert Morales, PR specialist, and Adolfo Garcia, secretary-treasurer.

Other club members included Don Hecker, JoNell Morce, Patsy Munoz, Mary Lou Rocha, Martha Benitez, Judy Chavez, Sylvia Collazo, Norma Ontiveros, Cindy Ortega, Debbie Popa, Margie Garcia, Stanley Sandoval, Alfredo Burciaga, Wally Lozoya, Mary Jane Kelly and Dolores Kelly.

FHA Sweetheart and Beau were Judy Frietz and David Johnson, respectively. Under the guidance of President David Johnson and FHA Sponsor Mrs. Nicki Weems, the club participated in many local, area, state, and national-level activities. The main project undertaken by the club was divided into three categories: (1) Healthy Babies: Chance or Choice? (2) Student Body — Nutrition For Teens (3) Handicapped Does Not mean Disabled (which coincided with National Year of the Handicapped).

Along with FHA members throughout the country, students also agreed to help fund the building of a national headquarters building outside Washington, D.C. In all, \$6 million must be raised to make this building a reality.

# The Dramatic Experience

CHS THESPIANS — (Kneeling) Laura Alderete, Bobbie Ornelas, (Sitting) Andy Enriquez, Richard Smith, Laura Trujillo, Marcelina Ayala, Sandra Mejia, Michele Jordan, Susan Yglesias, Dora Salas, and Melissa Leos, (Standing) Rene Montes, Belo Enriquez, Joe Zavala, and Dennis Pussman.

The Drama Club was headed by Mrs. Winifred Cowley who joined the CHS faculty staff this year.

Under her directorship, the club performed two plays for the school as well as for the community. They were 'A Charley Brown Christmas Play' and 'I Never Saw Another Butterfly'. The latter play was entered in UIL competition. Club members also participated in a speech tournament in Las Cruces and in Clint.

The club's executive committee consisted of Marcelina Ayala, Michele Jordan, Rosa Acosta, Richard Smith, and Dennis Pussman.

(1) Long hours of rehearsals paid off for Dennis Pussman and Laura Alderete, who are shown reading their lines for the play, 'I Never Saw Another Butterfly.'

Cross Country Team Standing (l to r) Alex Arroyo, Eddie Tena, Marcos Esparza, Jesus Higareda, Jose Paredes, (sitting) Hector Gamboa, Sandra Leos, Coach Willie Tinnin, Emily Marmolejo, and David Perez.

"I felt that for the most part we had a real good season," said Coach Willie Tinnin, commenting on her cross country team.

Even though the harriers faced tough competition against 5A schools, Coach Tinnin felt our team performed well.

Our runners performed so well, in fact, that for the first time in eight years, our CC team made it to state where they placed seventh against 14 other schools.

Although Coach Tinnin expects next year's team to be smaller due to the fact that some seniors will be graduating, she is hopeful that new replacements will be found. If genuinely-interested replacements, especially more girls are found, Coach Tinnin feels confident that we can have a formidable team next year.

### The Thrill Of Victory!

The girls' varsity basketball team carried the victory banner all the way to district

Under the able guidance of Coach Willie Tinnin, the lady round ballers showed determination and a strong will to win as they conquered one opponent after another.

Sylvia Pavia proved to be the team's high scorer, averaging 14 points per game. Yolanda Retana and Virginia Flores also exhibited outstanding performances throughout the season.

## Swingers Tee Off

Golf Coach Joe Scott viewed this season as a building year as most of his team was inexperienced as a whole. Coach Scott expected tough competition and he wasn't disappointed.

This year's swingers included Franky Reyes, Chris Nevarez, Arturo Alderete, and Ernie Espalin.

Coach Scott stated that he expects his team to be much more improved next year since the boys will have learned a lot from playing the formidable opponents they faced this year.

## Netters Look Ahead

Newly-appointed tennis Coach Sandra Minjarez started the season with only one experienced player, Hevila Galan.

Coach Minjarez, evaluated the boys overall performance like a weather report "From fair to moderate" Mrs. Minjarez said the team needed to continue to improve.

District players were Mickey Garcia and Ralph Venegas who played no. 1 doubles. Eddie Solis played no. 1 singles and Arthur Limon played no. 2 singles.

In the girls division, Hevila Galan played in the no. 1 singles, Donna Gunter and Banti Gil played in no. 1 doubles.

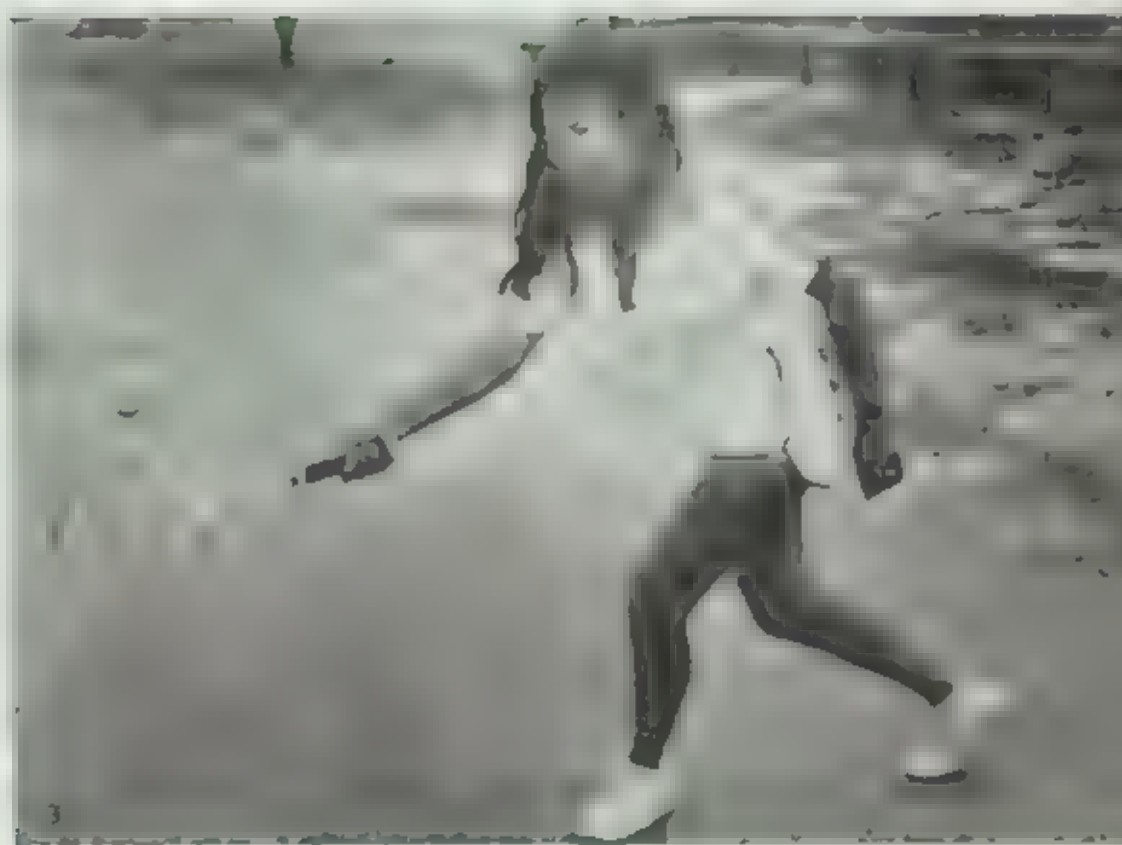

Because CHS doesn't have any courts the netters were compelled to practice at the elementary school.

Commenting on the situation, Coach Minjarez said, "this made things very difficult since we were unable to host any matches, which compelled the team to travel all season."

Still the team participated in 11 dual matches and one district tournament.

The Varsity basketball team ended their season with an overall 11-19 record and a 2-4 record in district play.

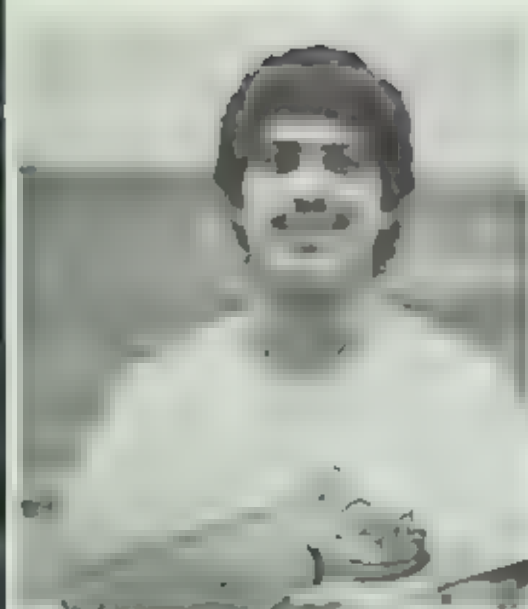

According to Coach Bill Sanders, next year's team should be more impressive since we will have four returning starters. David Gutierrez, Danny Gutierrez, David Moreno, and Stewart Welch. Stewart, David Moreno and David Gutierrez were named all-District. All three, according to Coach Sanders, possess leadership traits in addition to possessing good ball handling ability.

The round baller squad will lose Seniors Adolfo Garcia, Joe Herrera, and Joe Salas.

While he admits he could have had a better season, Coach Sanders said he was satisfied with the progress made this year, especially since this was his first year here; but he added that he looks forward to a much better team next year.

## Thanks

Whew! It's finally over. After all the hard work, deadlines, afterschool-and holiday-hours, messed-up pictures, ruined rolls of film, and a lot of hectic moments, we finally came out with our yearbook.

Looking back we can all smile and relax — now that it's over. And as we reminisce, we would be amiss if we didn't thank the many people who helped us throughout the year.

To start off with, we wish to give a world of thanks to La Tonya Martinez who unselfishly lent us her camera with which we took the majority of the pictures in this yearbook. We hope her dad won't get too

upset when he finds out. We also wish to thank Andy Burton for not only lending us her camera on a couple of occasions, but also for taking a couple of the football games for us.

Secondly, we wish to thank all the teachers who were very understanding and cooperative when they allowed our staff members to occasionally finish their assignments during their class.

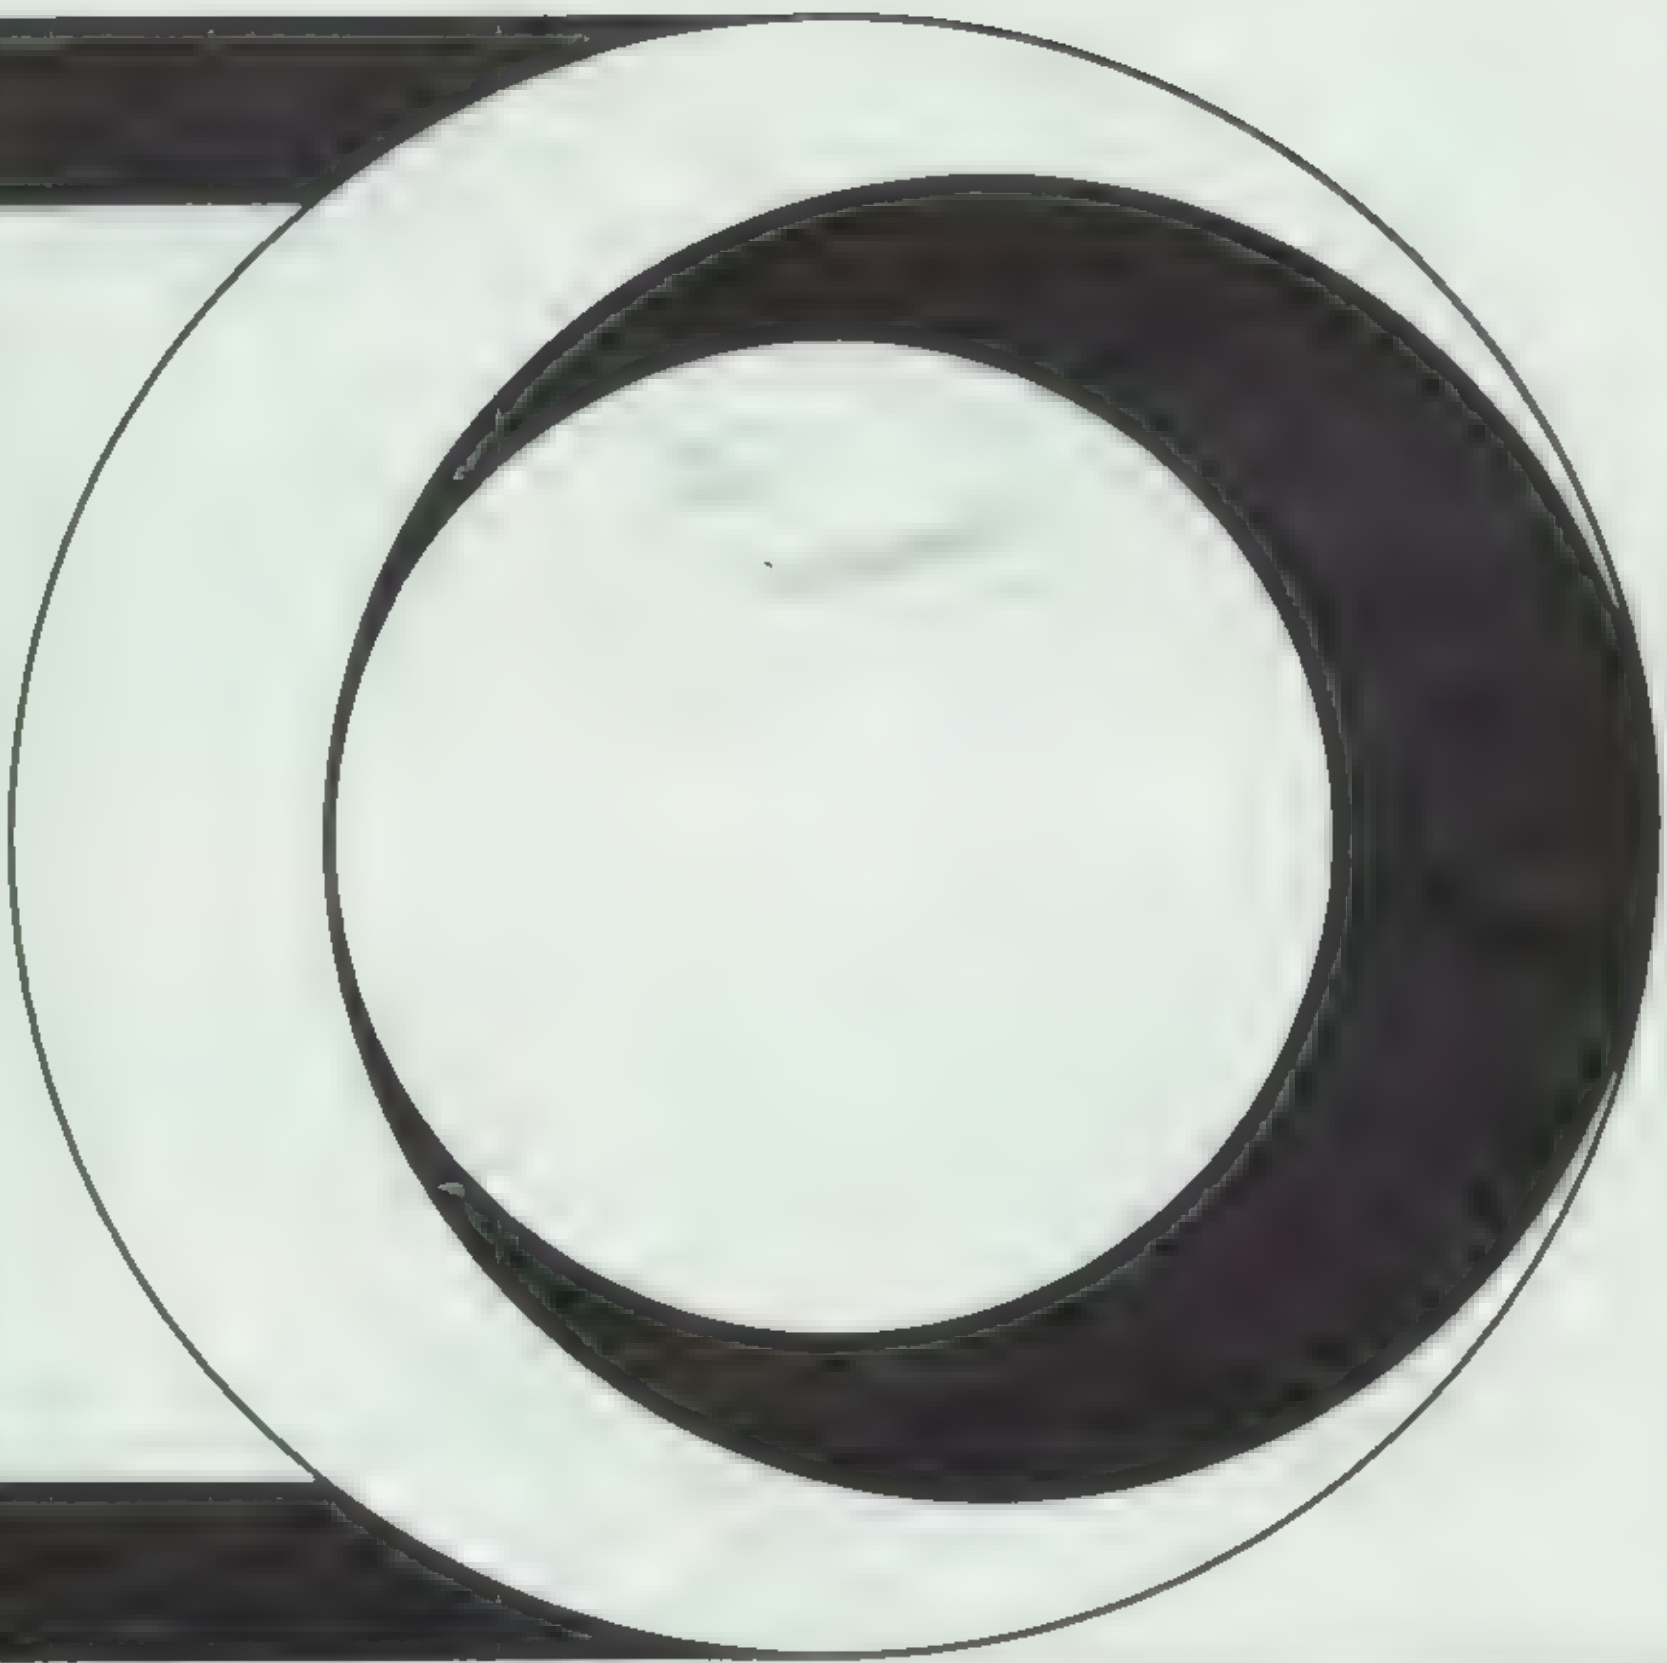

We can't forget to thank Mr. Jerry Fleming for allowing us to use one of his thermometers and we also couldn't forget to thank Mr. Don DeLaune and Taylor Publishing Co. for their patience and understanding — especially when it came down to deadline times.

Thanks should also be accorded to Principal Dowell Williams for allowing us to use our facilities after school and during the holidays so that we could meet our deadlines.

I would personally like to thank those hard-working staffers who gave their all, including their extra time, to help make our yearbook a reality. And last, but not least, I couldn't forget to thank Mr. Hector Castelo, yearbook sponsor, for having a lot of patience with the staff and for all the support he gave us. Thank you Mr. C. for doing a good job.

With much love and appreciation,  
Alejandra Reyes, yearbook editor

## Top Teachers

Every year Student Council picks two teachers (male and female) that they feel have done a lot for the school and for the students they teach or work with. SC Sponsor Mr. Nick Kourabas said that this year's decision was very difficult since there were a lot of qualified teachers

After some deliberation, however, SC members chose Mrs. Sandra Minjarez and Mr. Hector Castelo as this year's recipients.

Mrs. Sandra Minjarez

When asked how she felt about being chosen, Mrs. Minjarez replied, "I was very honored and surprised. I am very grateful to the students who chose me." Mrs. Minjarez coaches the tennis team and teaches health and government

Mr. Hector Castelo was chosen as 'Male Teacher of the Year.' Asked for his reaction, Mr. Castelo said, "To say that I was surprised is an understatement. Please express my gratitude to all those students who voted for me." Mr. Castelo teaches journalism and ESL.

Starting at 7 a.m., the busy cafeteria crew began their day before most teachers and administrators even arrived.

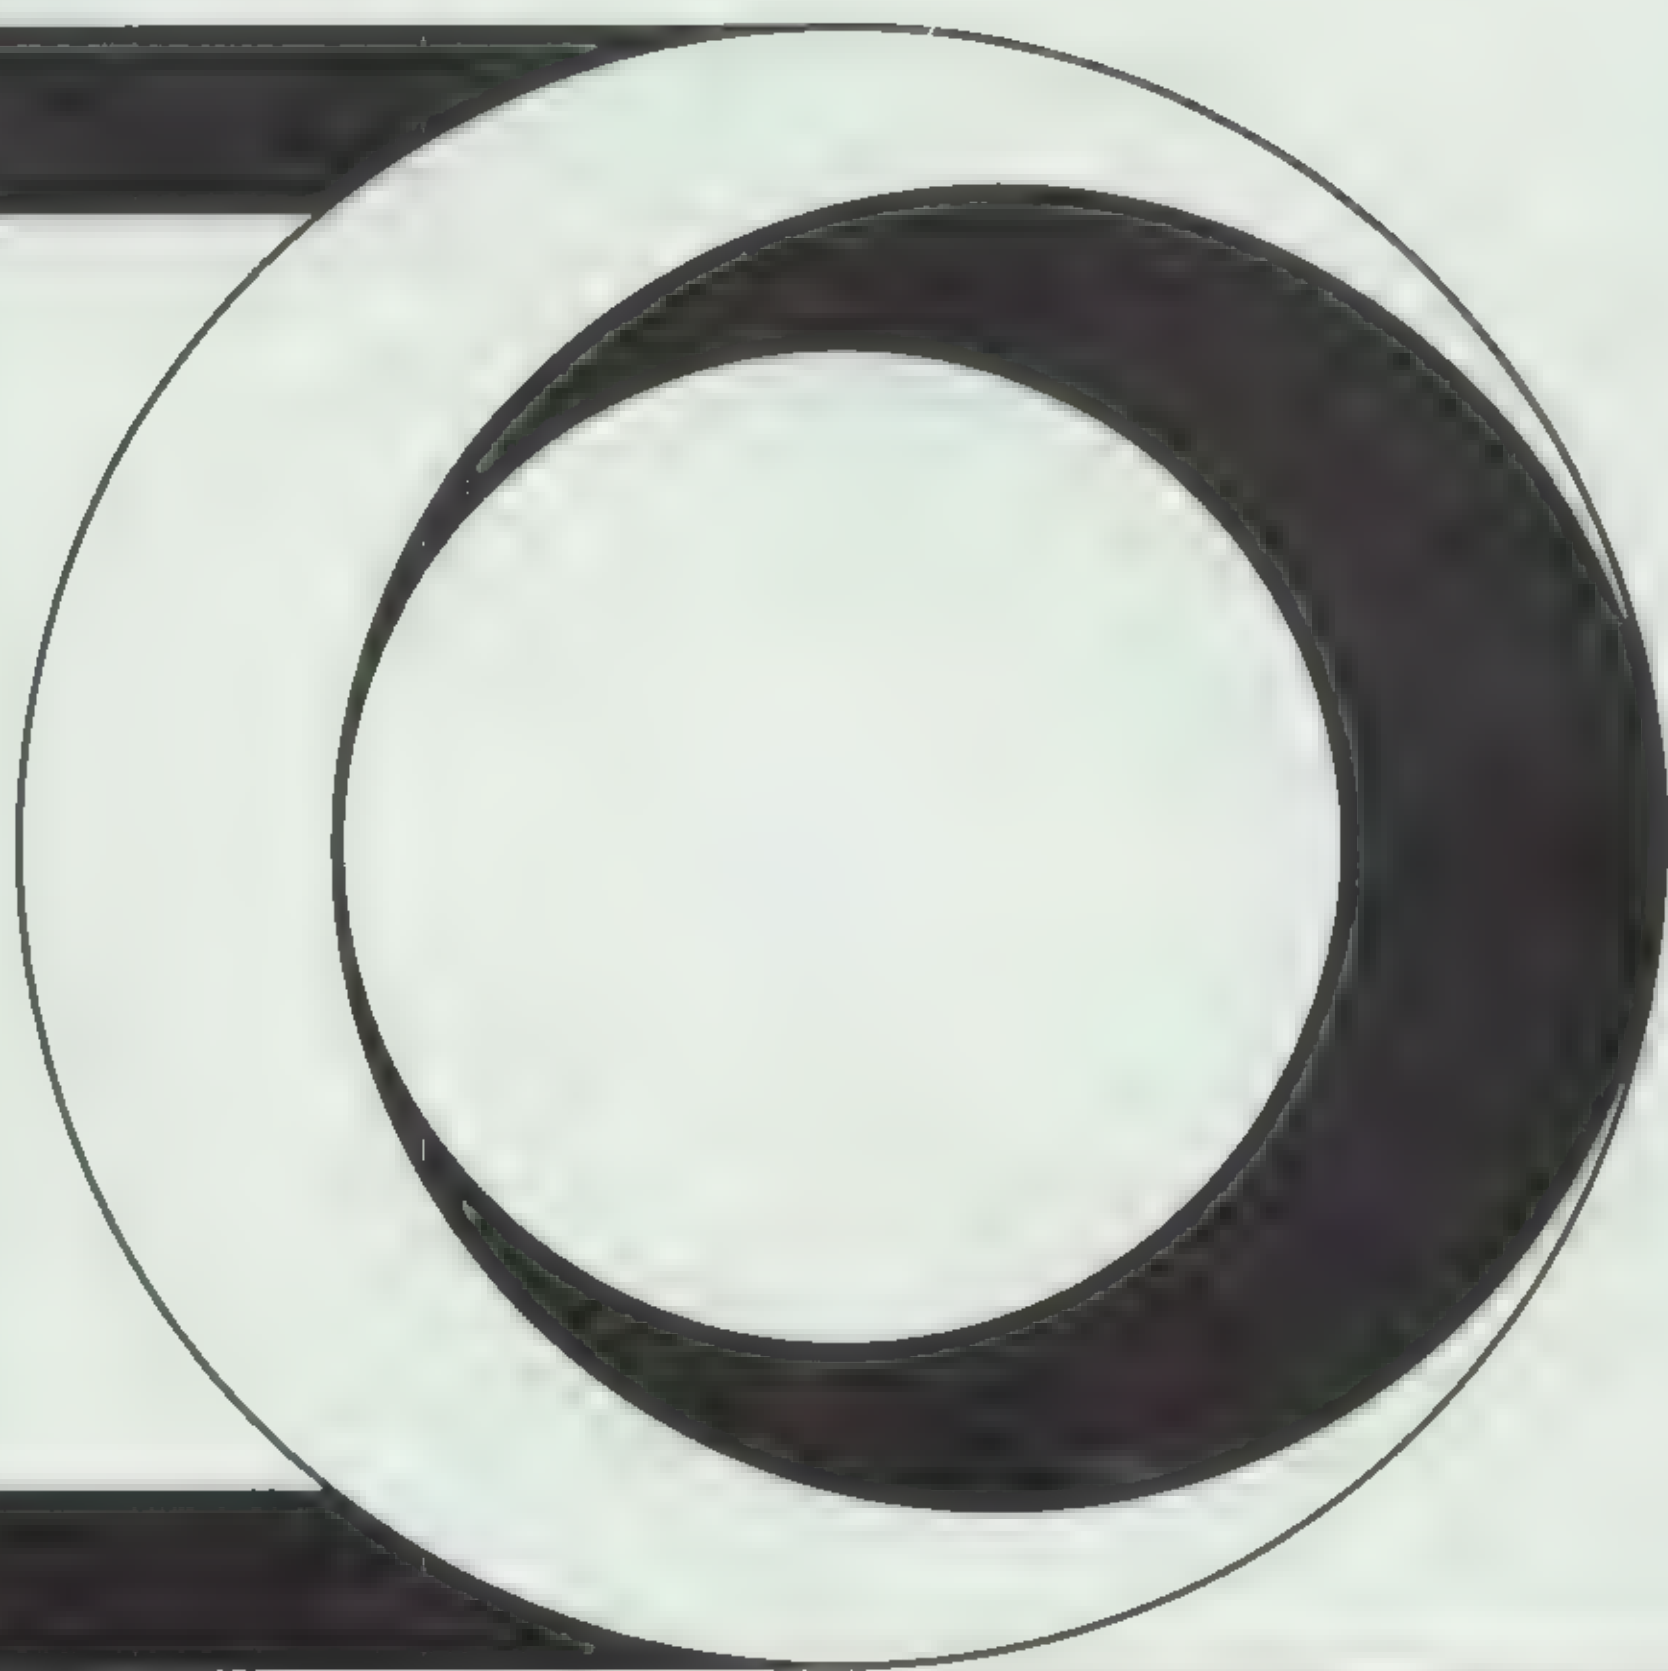

Before ending their day at 3.30 p.m. the ladies fed on the average of 530 people — 180 for breakfast and 350 for lunch. Manager Mrs. Dolores Diaz said the most frustrating part of her job was students not even trying the food they worked so hard to prepare. One food item students did seem to like were the hamburgers, which Mrs. Diaz said, were among the easiest to fix.

Mrs. Diaz said they received a number of complaints about the lack of variety offered, but she pointed out that the variety and quality of food was limited by the quantity and quality of food they had to work with.
